

Aspects of the Divine Heart

Exploring ~ Embracing ~ Embodying

You are invited to join a group to contemplate and explore aspects of the Divine Heart - what they mean for us individually and collectively, how we can enrich our lives, how we can 'walk the talk' and LIVE the Divine Heart.

We meet every week during term time, in a nurturing space. The evening includes time for contemplation and discussion about qualities of divinity - qualities such as Forgiveness, Compassion, Peace, Unity, Trust - and we share our everyday challenges of the process of moving more deeply into Love.

“

The time has come to turn your heart into a temple of love.

Your essence is gold, hidden in dust.

To reveal its splendour you need to burn in the fire of Love.
